

A screenshot of the inTrax app login screen. The status bar at the top shows "vodafone NL", the time "19:18", and a battery level of "70%". The app's header is red with the word "Login" in white. The main background is dark grey with the inTrax logo and "SUSPENSION TECHNOLOGY" text. There are two white input fields for "Username" and "Password". Below them is a checkbox labeled "Remember me". A red "LOGIN" button is at the bottom. Below the button are links for "Register to get full access >" and "Forgot password?". Red arrows point from the explanatory text on the right to these elements.

## General

**Your settings are password protected. No one can see them, you decide if you want to share them and with who.**

- Fill in your username (keep it simple for when you want to share info).
- Password can be changed at all times in the app \*
- Check "remember me" if you don't want to enter your username and password each time you open the app
- **!!! First time ???**
- Click register and fill in the sheet. You can use the app in no time.
- If you forgot your password click here and you will receive a new one by mail. You can change your password afterwards inside the app.
